# SYMPTOMS

I worry about him and can't believe how quickly I fancy to him.

I can't look at Tomato-Han's messages with computers.

When I think about him I feel a painful thinking.

The surroundings appear to be brilliant.

I'm still...

This broken...

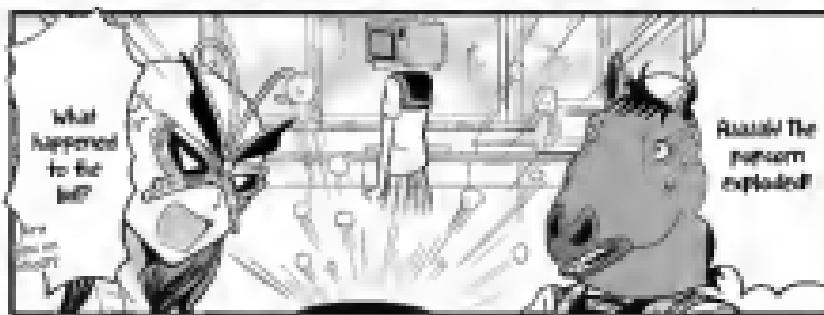

This definitely isn't normal...

...I WANT A LITTLE BIT, TWO...

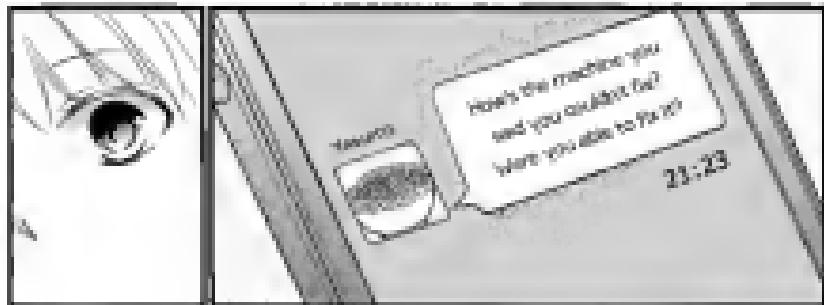

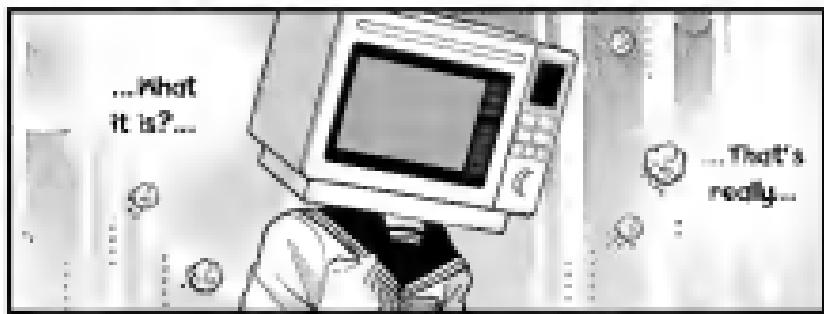

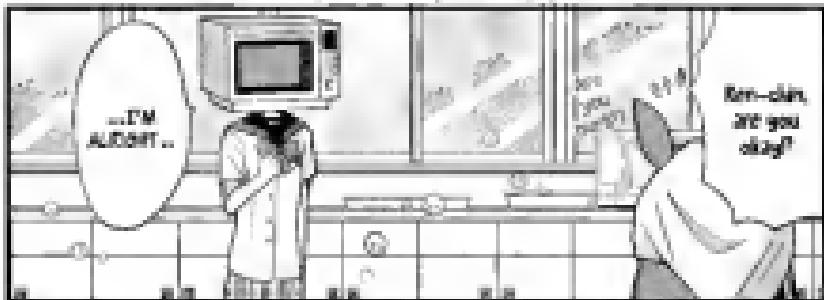

If there really is no other way...

I'm still in pain
